

# The Golden Eagle Fiji

VOLUME 34, ISSUE 2

FALL 2012

## Presidential Pumpkins Preside at Fiji House

This fall Tech bid farewell to President Bob Bell and welcomed our 9th university president, Philip B. Oldham. Many students had the opportunity to meet Dr. Oldham at events such as Dancing on Dixie and Convocation. However, the brothers of Phi Gamma Delta were given the honor of having him and his family over at the house one evening a few weeks into the semester. While they were over we had activities prepared such as volleyball, corn hole, and pumpkin carving. The pumpkin carving was particularly enjoyed by Mrs. Oldham and daughter Audrey. We had a great time with the Oldham's and await all the great things they are sure to bring to the university. You can follow the President at his official blog at <http://blogs.tntech.edu/president/author/poldham/>

*"I'm not trying to brag, but it was the best pumpkin I've ever seen" -Jesse Lilligren*

# Can A Brother Get Some Scholarship?

This fall semester, in an effort to continue improving our scholarship, we have started a competition between the pledges and brothers. The goal is to achieve the highest grade point average and the most library hours. The old adage "to the victor go the spoils" rings true in this case with the victorious group being promised a full three course meal to be served by the losing side. This competition has led to many a long study sessions in the library with the brothers

and pledges sitting near one another and often refusing to leave until the announcement comes that the library doors will soon be locked. This has led to absolute exhaustion on both sides; with brothers barely able to drag themselves to Bob's on a Thursday night. However, that must surely be counted another stroke towards victory in the battle for higher GPA's.

*"I'm not trying to let the house fall down right now."*

*Seth Bradley*

## House Improvements

This summer we got the air conditioner fixed and had a great brotherhood workday. We were able to get a lot of maintenance and cleaning done. We want to thank Billy Leslie and Mickey Williams for all the help they gave us that day. We really enjoyed spending time with them hanging around the house. We have some plans for fixing some of

the structural problems in the near future, but overall the house is still in pretty good shape and running smoothly.  
— Seth Bradley

*"That fire was too hot, I'm not trying to get burned."*  
*Jesse Lilligren*

## Fiji Islander

This year we had Fiji Islander at Golden Mountain Campground in Sparta, TN. The weekend started with threat of rain looming, but it held off for most of the weekend except during Saturday night. In spite of the weath-

er we all had a great time camping. Everyone enjoyed encouraging and helping the pledges build a bonfire. It took awhile to start with all the damp wood, but once it got going we all had a great time relieving the chill of the night air with its heat. Many great memories came out of this island. We had brothers steal-

ing each others panda bears, pumpkins being hidden all over the place, and one brother even found and gave a good home to a dog that had been hanging around the park this fall. It was a great weekend and we all look forward to another one next year.

# Rush

This fall we began our recruitment with the goal of finding the best young men we could to constitute our final Beta Pledge Class, Beta Omega. We began the semester with our South Patio Party on September 6th. We had another great turnout this year with Brother

### Setting up for South Patio Party

Dustin Smith rushing to feed all of the hungry freshmen. Our next pre-rush event was the third annual Fiji Rave hosted by DJ Snaple (identity purposefully withheld.) Those events helped kick off a very successful rush week. On Monday we replaced the usual golf night with a throwback Fiji Olympics night. It was a ton of fun with some of the most hysterical moments being the speed walking races around the volleyball court. Other competitions included a coconut shot-put and no-holds-barred fruit holding.

On Tuesday we held the crowd favorite County Fair Night. That night's main attraction was our very own band featuring brothers Nathan Brown, Justin Foster, Matt Mercer, Ben Higgins, and William Galloway Scheibe IV. We also had the pleasure of tasting the culinary stylings of brother Joey Laine. His various fried foods were a huge hit. Wednesday was Island Night which featured the always good Island Chicken. We ended the week with Gentleman's Night at the BCM where we had the pleasure of hearing graduate brother Isaac Keebler tell about his experiences in Phi Gamma Delta. You can see bios of our new pledge brothers on pages 8-11.

# Letter From the President

Graduate Brothers,

This Fall has been a great time for Theta Tau, as it always is in Cookeville! As always, we got off to a great start with our South Patio Party, this year it was sponsored by several local restaurants and businesses. Recruitment came up soon after that, and now our Beta Omega Pledge Class is nearing the end of their pledge semester. We have participated in several philanthropies already this year, most recently winning Alpha Delta Pi's Diamond Heist for Ronald McDonald House. We also put on a Parent's Appreciation Dinner that was thoroughly enjoyed by the parents of Undergraduate Brothers and Pledges alike. This is just the beginning of a campaign we are starting to have a

Parent's Organization to start getting more parental involvement in our Chapter, whether it be in advisory positions, or just to come around and see the good that we do around campus and the Cookeville community. We would like to invite any Graduate Brothers who would like to help to get involved with this, we think it could be a great thing for our chapter.

As I'm writing this we are in the middle of preparations for homecoming. We are looking forward to having everyone in town for the products of our hard work.

I hope that this year is going as well for you as it is for us. Of course, our house is always open to you and your family if you ever want to drop in for a visit. We

would love to have more graduates come around any time!

I wish you all the best in the coming holidays, and look for more updates coming soon!

Fraternally,

Nathan D. Brown

PI!

*"Congratulations is what I'm trying to say." - Jesse Lilligren*

## Congrats to Our Brothers

We would like to congratulate several brothers who have recently been married.

- Kyle and Laura Bush
- Dan and Kayla Kennedy
- Christopher and Rachel Baldwin
- James and Kim Leeper
- Joseph and Kelly Wigington
- Jason Hunter and Christy Hunter
- Matt and Tiffany Brocato
- Luke and Jill Denney
- Daniel and Lauren Bouch
- Ryan and Tia Rios
- Anthony and Chelsey Campbell
- Isaac Keebler and Taren Brown

# Parents Day ! ‘How Did It Go?’

Parents Day this semester went great! The events kicked off early as some of the parents attended the Rugby Game, which was a blast! After the rugby game we all slowly gathered at the fraternity house for some sensational conversations. It was a long and awkward two hours for those of us who’s parents could not make it. But for the most part everyone was in a great mood and everyone got to meet new brothers and their parents. After the house

tours and the “Meet & Greet” everyone headed over to the Tech Pride Room located in the University Center. We ate a dinner and our Recording Secretary William Galloway Schiebe IV spoke about what the fraternity is valued upon [Friendship, Knowledge, Service, Morality, and Excellence] and what kind of men that we strive to be everyday here at Tennessee Tech. After Will’s speech our President Nathan Brown spoke about the upcoming events for this semes-

ter which included Homecoming Week [Nov.3] and our philanthropy supporting Multiple Sclerosis known as MS Island. He incorporated many great pictures that delicately described to the parents what we are all about Service wise. He also touched on the idea of forming a Parents Association on how the parents can get more involved in the chapter if they so choose. The day as a whole was a success and we would like to thank all the parents that were a part of this day! - Justin Foster

**“ Thank You  
Parents For  
Creating All Of  
My Best Friends ”

# Homecoming 2012

The homecoming theme this year was television shows. We took advantage of the opportunity to build the pirate ship from the Pirates Who Don't Do Anything by the Veggie Tales. The preparations were difficult as always, however we pulled through and managed to have a good time in the process. Many of the brothers were practicing long hours for the pep rally, in which we placed third, and the rest were

busily working on the float. In the meantime we were all eagerly making preparations for the annual Kazoo Band, which was definitely the highlight of our homecoming. We were led into the fray by our fearless leader, Nintendo Man, and managed to only make a few of the children cry this year. It will surely be counted as a successful parade.

*"I'm just trying to make the kids happy." - Jesse Lilligren*

# M.S. Island

This year during MS Island we raised over \$7000 towards the South East branch of Multiple Sclerosis Research. We started the Philanthropy week off with FIJI Olympic Night, with fun and games for the Sororities to compete in. Phi Mu won most of the games taking an early lead. The second night, we brought back the Brotherhood Auction. This year we auctioned off 8 brothers and 2 sets of pledges, with nearly every bid exceeding \$125.

The lovely ladies of Kappa Delta, won the night winning 6 out of 10 possible bids. Overall, Kappa Delta won MS Island week, as we once again exceeded the goal set for Island. We will continue to raise the bar on MS Island week, and look to raise the most money in chapter history for MS Research.

*“I’m just trying to help find a cure for multiple sclerosis.” -*

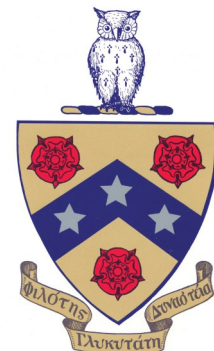

*Jesse Lilligren*

The Lovely Ladies of Kappa Delta won M.S. Island this year.

# Oink Oink Don't Forget Pig Dinner

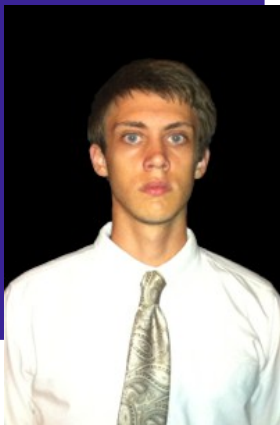

This Fall has flown by and next spring will too. Make sure to go ahead and make your plans to attend the annual Frank Norris Pig Dinner on April 20, 2013. We look forward to seeing all of you then.

## 2012 Fall Pledge Class - Beta Omega

### Jacob Austin Carson

**Major:** Basic Engineering  
**Estimated Graduation:** Spring 2016  
**Hometown:** Winchester, TN

**Why did you pledge Fiji:** I am pledging Fiji because I believe it is a great fraternity. Fiji's standard will help me develop into a productive man after college, along with creating lifelong brotherly bonds with the brothers.

**What is your favorite thing about the fraternity thus far?:** Pledging Fiji has already been a success for me. I have created brotherly bonds with my pledge brothers. I have really gotten to know them over the past few weeks.

# Chris Allen Charlton

**Major:** General Curriculum  
**Estimated Graduation:** Spring 2016  
**Hometown:** Mt. Juliet, TN

**Why did you pledge Fiji:** The reason I chose to pledge Phi Gamma Delta is to form lasting friendships with the brothers and better myself as a person.

**What is your favorite thing about the fraternity thus far?:** My favorite thing about pledging FIJI thus far is caving and all the outdoors activities we have done.

# Chris Douglas Wilson

**Major:** Chemistry (Pre-Pharmacy)  
**Estimated Graduation:** May 2016  
**Hometown:** Gallatin, TN

**Why did you pledge Fiji?** I decided to pledge because everyone seemed friendly and easy to get along with. I also respect that scholarship is such a high priority to this Fraternity.

**What is your favorite thing about the fraternity thus far?** Fiji Islander was my favorite thing so far. I enjoyed the bonding time with the brothers and my pledge brothers.

# Leland Todd Hasty

**Major:** Political Science  
**Estimated Graduation:** May 2016  
**Hometown:** Smithville, TN

**Why did you pledge Fiji?** I am pledging Fiji because from what I have seen so far it is the best Fraternity on campus. It is full of men that set goals and exceed them and it is based on values that I respect and admire.

**What is your favorite thing about the fraternity thus far?** My favorite things about Fiji so far are the values that are exemplified by the brothers.

## Caleb Harrison Thomas Blackwell

**Major:** Chemical Engineering  
**Estimated Graduation:** May 2016  
**Hometown:** Smithville, TN

**Why did you pledge Fiji?** I pledged Fiji because the brothers I met at rush seemed like guys I would want to be around.

**What is your favorite thing about the fraternity thus far?** Meeting and getting to know all of the brothers has been the best part so far.

## David Josh Merritt

**Major:** International Business  
**Estimated Graduation:** May 2016  
**Hometown:** Eagleville, TN

**Why did you pledge Fiji?** I was originally attracted to Fiji because of my brother-in-law James Leeper. Getting to know the brothers is the reason I have continued pledging.

**What is your favorite thing about the fraternity thus far?** Meeting and becoming friends with the brothers and my pledge brothers is my favorite thing so far.

## Trevor Drew Nicely

**Major:** Pre-Nursing  
**Estimated Graduation:** May 2016  
**Hometown:** Knoxville, TN

**Why did you pledge Fiji?** The brotherhood I saw on display at the Fiji house seemed very strong. I really wanted to be a part of that.

**What is your favorite thing about the fraternity thus far?** Participating in outdoor activities around Cookeville with everyone has been my favorite thing so far.

## Patrick Dhansukhbhai Patel

**Major:** Pre-Pharmacy  
**Estimated Graduation:** May 2016  
**Hometown:** Cleveland, TN

**Why did you pledge Fiji?** I pledged Fiji because the values of the Fraternity fit my own values.

**What is your favorite thing about the fraternity thus far?** All of the activities I have participated in with my pledge brothers such as baking pancakes, making chili, and decorating the house for Christmas.

## Denison Lee Dreaden

**Major:** Sociology (Criminal Justice)  
**Estimated Graduation:** May 2016  
**Hometown:** Pegram, TN

**Why did you pledge Fiji?** I decided to pledge Fiji because of the character of the brothers. I wanted to have the opportunity to experience the close friendships that the Fraternity seemed to foster.

**What is your favorite thing about the fraternity thus far?** The friendships I've developed have been my favorite part so far.

## Joshua Stephen Woodward

**Major:** History  
**Estimated Graduation:** Dec. 2013  
**Hometown:** Kingston, TN

**Why did you pledge Fiji?** I pledged to improve myself and to be a part of something bigger than myself.

**What is your favorite thing about the fraternity thus far?** Meeting all of my pledge brothers and making new long term friendships.
